Inspire... Innovate... Invest... are the three words that appear on the logo of the Farmington/ Farmington Hills Education Foundation. As an organization, it is our goal to make these words come alive for the students of Farmington Public Schools. The Board of Trustees of the FFHEF are pleased to announce the recipients of this year's **Inspire*Innovate*Invest** awards.

Inspire: We are inspired by the actions of our volunteers, donors, grant recipients, and students. Our volunteers tirelessly support our efforts. Teachers, staff, and others who take the time to write grant proposals and then bring those ideas to life....the students who have participated in the programs and have learned new life skills as a result...these things inspire us to continue our efforts to achieve great things.

2018 Inspire Awardee: Chef Bob Greig

Innovate: We celebrate the creativity of our grant recipients. Our grant recipients create new, innovative ideas that help improve the total educational process – both in and outside of the classroom. We honor innovations that step outside the confines of normal funding models. We celebrate innovations that find new ways to deliver learning to our students.

2018 Innovate Awardee: Jeannine Donigan-Hales, Hillside Elementary for Let's Shop

Invest: The only way to make these ideas come to life is for our community to continue investing in the future. Investing our time, resources, passions, efforts, and money. It is through our investments that these ideas are nurtured and innovations come to life. It is through our investments that we all demonstrate our commitment to the future.

2018 Invest Awardee: Ray Okonski
